

Sterling Energy Committee
Thursday, February 11, 2016
7:00 pm – Room 15
Minutes

I. Call to order

R. McGarry called the meeting to order at 7:00 pm.

II. Present were: R. McGarry, J. Baccarie, R. Gray, B. Boyd and F. Bood arrived at 7:20 pm. Absent: J. Turban, N. Jordan, L. Cooper, and R. McLevy.

III. Audience of Citizens

Stephanie Rogers from Eversource was at the meeting. She went over the information on the Clean Energy Communities. She talked about how the town can earn points to go towards grants. Sterling is already eligible for a \$5,000.00 grant.

Stephanie also gave B. Boyd some flyers of contests that are being held for school age children to be passed on to the school.

Conversations were held about a small business energy audit to be done at the municipal building.

B. Boyd is filling out the Data Request form for the school and then she will send it to R. Gray to have the town fill out for their buildings (Municipal Building, Town Garage, Jordan Center, Old Town Hall and Old Library).

IV. Unfinished Business

- a. Energy Audit/Ice Dams talked about above.
- b. Solar Panels – Table until energy audit is done.
- c. Insulation of Attic – Look at when energy audit is done.

V. New Business – none

VI. Any other business – none

VII. Adjournment

A motion was made by R. Gray and seconded by R. McGarry to adjourn the meeting at 8:20 pm. Vote: All in favor.
