

## **BIG NEWS!!!**

The Conservation and Caring Club and the Sterling Town Hall have joined forces once again to help families in need by starting a **GARDEN SHARE!**

All community members are invited to participate. **Starts July 5<sup>th</sup>!**

If you have a garden surplus this year and wish to help those in need, simply drop off your fruit or vegetables at the Sterling Town Hall during regular business hours Mon-Thurs.

(There will be a table set up just inside the entry doors to the right.)

If you are in need of fresh fruit or vegetables, please come to the Town Hall to pick up some fresh produce. Please bring a bag with you to transport your food home.

**All food share items are on a first come, first served basis. Please be considerate in taking only what your family needs for daily use (not canning/freezing)**

If you wish to be notified when food is available, please send an email to:

[ADMINCLERK@SterlingCT.US](mailto:ADMINCLERK@SterlingCT.US)

Please understand that your email will be added to an anonymous list that is distributed for all town announcements, not just the Food Share.

We THANK YOU in advance for your participation!!
