The SCS PTO will be sponsoring a Trick O Treat School Bus this year! Come join them in celebrating the Evening Event. We are asking those attending the Halloween program to please bring a **Non-Perishable food Item.** We ask that you bring those items as you view the bus. The foods will be given to season baskets delivered to local families in Our Community!

Program will still be on for Saturday. We will have the program in the building. There will be posters for directions at the Town Hall Building
