**This form must be returned by 9/6/2019 if your child wants to bowl.**

The cost is \$10.00 each week per bowler. Each player is put on a team of 3; or the child may pick their own teammates (we try our hardest to put the kids on the team they choose). This is a team sport and an 11 week commitment. Each team member relies on their team members to make every effort possible to show. The last week the 1<sup>st</sup> and 2<sup>nd</sup> place team will roll off to see who WINS! They will then have a small awards ceremony. AND something special to celebrate!! More on the this as we get closer.

The kids will take the bus to Norwich Bowling Entertainment Center right after school. They will return at approximately 5:30 to 5:45. Parents please arrive to pick up your child on-time at the **Sterling Town Hall**. Parents you may also opt to pick-up your child at bowling where a sign-out sheet must be signed. (Please take note we will be checking licenses until we get to know everyone). Any questions please call Ed or Tracie Adams 860-564-6889.

**\*If school has early dismal or is canceled for inclement weather there will be no bowling!**

\* Please join our Facebook group @ Sterling Rec Bowling. Only bowlers and parents/guardians will be allowed in group (unless otherwise discussed). Pictures, standing sheets, and announcements will be updated to this page. If anyone does not have Facebook that is okay we will send pertinent information via text. Please indicate above.
