

FRONTIER FIBEROPTIC

BRINGING FIBER TO MORE COMMUNITIES

FRONTIER COMMUNICATIONS

Town of Sterling

December 19, 2022

FRONTIER

Frontier Fiber Optic Project

Sterling Highlights

- **Upgrades through fiber-to-the-premise expansion**
- **2023 build will serve approx. 1,100 SFU's / SBUs**
- **Fiber can provide unlimited additional future services**
- **Frontier FiberOptic- 500Mbps up to 2.0 Gigabit service.**
- **Majority of work to be performed will be on existing overhead lines and in existing underground substructures**

Frontier fiber benefits the community as a whole

Connectivity that delivers measurable economic and social benefits

Higher Quality of Life

- Better learning outcomes for students
- Improved healthcare access
- Enhanced recreation activities
- Supports better Public Safety access – NextGen911

Increased Economic Vitality

- Increased job opportunities and stronger wage growth
- Higher rates of new business formation
- Lower unemployment rates

Strengthened Communities

- Stronger tax base
- Higher Property Values
- Increased connection via connectivity
- Improved provision of and access to local services

Frontier Fiber is 100% Fiber - Central Office to Customer

Frontier Fiber Optic Project

Why Frontier FiberOptic Targeted Expansion Makes Sense

Super Fast Speeds

Better Reliability
(Voice, Data, IPTV)

No Bottle-Necking

Smaller & Discreet Equipment

Better Network Elements to Support Future Growth

Less Chance for Degradation

Less Expensive & More Cost-Effective to Deploy

Doesn't Experience Interference
