Submitted into record is an email from Heller, Heller, and McCoy dated 5/14/2019, "We are not planning on attending the meeting tonight as we will have no new testimony to offer until such time as the traffic study is received. June 19, 2019 is acceptable for a continuance. It should give us enough time to receive the traffic study, for you to review the same, and for the applicant to respond to any review comments. Please advise us once the continuance to June 19, 2019 is a firm date. The applicant hereby grants a further extension of the time period within which the Board of Selectmen is required to act to June 20, 2019 as requested".

L. Cooper made a motion, seconded by R. Gray to continue the public hearing to Wednesday, 6/19/2019 at 6:00 p.m. in Room #15 at the Sterling Municipal Building, 1183 Plainfield Pike, Oneco, CT. All voted in favor of the motion.
